ON THE SCENE

CRACKPOT COOZE

What do you write about?"

Steve's question was my cue to take a prolonged belt. Peering at him over the rim of my third Gin Rickey at the local pub, I racked my brain for an appropriate response. Me and my big mouth, I thought, silently berating myself for having told him that I was a writer. Now I was torn. Fabricate something on the fly or reply with the unvarnished truth?

The latter approach carried more risk. I knew this from experience. Telling a complete stranger at a cocktail party that you write about UFOs is a great way to brand yourself a crackpot conspiracy theorist. And I liked Steve. Granted, I had just met him. But he was personable and handsome, and I hadn't had sex in a very long time. Understand, I hadn't come to the faculty mixer looking for my future husband, just somebody to screw. The last thing I wanted to do was scare him away. Of course, a lie could have the same effect if he saw through it, especially if Steve was the old-fashioned type who placed a high premium on honesty.

To hell with it, I told myself, give him the truth, the whole truth, and nothing but the truth . . .

I lowered my drink and looked him straight in the eyes. "UFOs."

Steve didn't laugh, not in the least. "Wow," he said earnestly. "Tell me more."

I told him more, a whole hell of a lot more. I hardly took a breath while relating the ins and outs of my current book-length project, which was a collection of interviews with people who had experienced some kind of encounter with a UFO. Their stories, I explained, ran the gamut from seeing strange lights in the sky to terrifying accounts of being abducted by hideous alien creatures straight out of a sci-fi/horror flick.

"Man," he said after I had finished my protracted spiel, "that's some far out stuff."

"What do you teach?" I finally got around to asking him.

"Criminal Justice." Steve took a swig of beer. "I'm also the campus police chief . . ."

"Cool," I told him, and meant it.

How refreshing, I thought, meeting a cop at a faculty mixer. Refreshing and enticing. I had never slept with a cop. Hell, I had never even talked to a cop unless you counted the two times that I had been pulled over for speeding.

"I'm glad you think so," Steve told me. "A lot of these uppity professors look down their noses at the Criminal Justice Department, to say nothing of the campus police. They seem to think we're all a bunch of dumb rednecks, which we're not . . ."

"That's too bad. But it doesn't surprise me. Some of these egghead profs are real snotty assholes."

"I'll drink to that."

I went on to tell him about certain faculty members who, due to my interest in UFOs, treated me like a second-class citizen.

"I was denied tenure because of the book I'm currently writing."

Steve frowned. "On what grounds?"

"They said UFOs aren't worthy of 'serious academic inquiry'" I told him, shaking my head in dismay.

"Crock of shit," he muttered.

"And I'll drink to that," I said.

The mixer was in full swing when Steve and I got the hell out of there and went back to my

cozy off campus apartment. Things heated up quickly. There was no need for preliminary chitchat as we had gotten that out of the way at the party. Now it was time to shut up and fuck, which we did in my messy bedroom

Hastening out of my clothes, I watched Steve do the same, my mouth gaping when I saw the size of his dick. The top campus cop had a nice cock, long and thick and harder than a riot stick. I knelt before him, licking my lips lewdly . . .

"Is this what you want?" he asked rhetorically, waggling his wang in my face.

Grasping the base of his shaft, I stroked him a few times, nice and slow, before employing my mouth. He filled every inch of my hungry maw, stretching my moist lips as I proceeded to stroke and suck him in earnest. Hand and head pumping in perfect synchrony, I used my other hand to play with my pussy.

It wasn't long before Steve placed his hands atop my head and thrust his hips. I loved it when a guy fucked my face, the harder the better. He must've read my mind because that's exactly what he did, ramming his rod none too gently. Meanwhile, I had stopped stroking him, using that hand to play with my pendulous tits instead. Questing fingers caressing and twisting my turgid nipples, I felt his engorged clans tap the back of my throat as he upped the force of his thrusts.

If Steve was trying to make me gag, well, he was wasting his time. I had amazing control of my gag reflex, a skill acquired from sucking many a dick. I was nothing if not a highly experienced cock gobbler.

The top campus cop gave me one last jab before pulling out and sitting on my bed. Wiping my mouth with the back of my hand, I rose from the floor and joined him. No sooner had I deposited my tight ass on the comforter than he had me lay on my side facing away from him. Grinning naughtily, I raised my top leg, opening my cunt for a good and proper pounding.

Lying on his side, his body pressed to mine, Steve probed me from behind, running the bulbous head of his massive dick up and down my wet crevice.

"Do it, baby," I uttered breathily. "Stick that big cock in my tight pussy."

He complied with my urgent wish. I gasped when he entered me. A less experienced partner would have been alarmed by my outburst, perhaps even stopping to make sure that I was okay. But not Steve. He knew my reaction was one of pure pleasure, the unrivaled joy of having a massive cock impale my tight little twat.

Attending the faculty mixer had officially become my best idea in a very long time. I had almost blown it off to spend the night at the library working on my book. I mentally patted myself on the back for my last-minute decision to attend; this while Steve pounded me from behind . . .

He reached under my arm, squeezing and kneading my jugs as he battered my juicy box with a relentless jabbing motion. The slapping of fornicating flesh reverberated off my bedroom walls, becoming increasingly louder as his thrusts reached a frenzied state. Steve had incredible stamina. As a policeman, I reasoned, he kept himself in tiptop shape with lots of running and weight training.

This was never more apparent than when he withdrew and mounted me missionary style. Moments later, he was hard at it, drilling my snatch with a seemingly endless supply of energy. I lifted my knees, taking every inch of his rigid tool, feeling myself getting closer and closer to what would surely be a climax to remember.

I wasn't wrong; ripples of tingly

heat emanated from my hot center, making me holler from beneath Steve's thrusting body.

He kept fucking me even after my orgasm had run its course. Finally, he grunted and withdrew. Rising to his knees, he scooted closer, bringing his glistening cock ever so close to my bountiful peaks. Then he exploded, emptying his ballbag in earnest. By the time he was finished both of my tits were coated with much cum; they looked like snow-capped mountains.

"You and I are in the same boat," Steve said after we had recovered from our exertions.

Lying there beside him, my head propped on a pillow, I searched his face. "How so?"

"Both of us are underappreciated. You were denied tenure," he said, "and my department is in danger of being eliminated."

"Criminal Justice?"

Steve nodded sagely. "This could very well be my last year to teach here."

"I had no idea."

"Neither did I," Steve told me, "until a few weeks ago when Dean Driscoll summoned me to his office. He's thinking seriously about cutting several programs. Unfortunately, Criminal Justice is at the top of his list."

My teaching job was safe, of course. No college could get rid of its English department. Still, I felt bad for Steve. Real bad. Poor guy. He was facing an uncertain future.

"If they cut the program," I asked him, "would you remain on the campus police force?"

"No way," he said matter-of-factly. "That's just a part-time position."

"Oh."

He sighed heavily. Then he rolled out of bed and started to collect his clothes from the floor.

His was a truly fantastic physique; just watching him made me wet all over again. Steve was one of the good ones, a rarity at this academic institution teeming with pompous, backstabbing assholes. Dean Driscoll was one of the worst. Still, I was convinced that he could be swayed to keep the Criminal Justice Department here. After all, he was a man, and I was an attractive woman.

Three days passed before Dean Driscoll could find time to meet with me. Our discussion went as I had expected in that he was unmoved by my argument.

"You're an English teacher who writes about UFOs," he said with a dismissive air. "What do you care about the Criminal Justice Department?"

"My late father was a policeman," I lied. Then, "I would hate to see those folks lose their jobs. The academic job market is brutal. Teaching positions are almost impossible to—"

"That's enough," he cut me off.

Dean Driscoll thought the meeting was over. But I knew better. Much better.

"Keep the program," I told him bluntly, "and I'll suck your dick. Hell, I'll even lick your lousy balls."

The look on his face was priceless! I walked behind his desk, crouched on the carpeted floor, and reached for his belt. He didn't try to stop me.

Having liberated his small pecker, I looked him straight in the eyes. "We have a deal?"

Too excited to speak, Dean Driscoll nodded, giving me the green light to give him head. He didn't even last half a minute before shooting his juice.

Unfortunately, my efforts were in vain. Steve disappeared a week later, vanishing without a trace. Some said he grew sick and tired of campus politics and moved to a ranch in Montana.

But not me.

I knew he was abducted by aliens.

MADELINE

GOOD DOG

As the night went on, our conversation became more suggestive. Gemma leaned forward more, showing off her cleavage that threatened to spill out. She made the first move, suggesting we go somewhere private.

My new puppy was a terror.

Franz refused to do his business outside, pooping and peeing in the apartment several times a day. He also had a bad habit of biting ankles, eating shoes, and unspooling toilet paper. It wasn't uncommon to find a trail of tissue extending from the bathroom all the way to the kitchen.

Dogs were supposed to make your life better. But not Franz. He had added much stress to my life, so much, in fact, that my health was starting to suffer. Headaches . . . elevated blood pressure . . . irritability . . . hell, the little bastard was even affecting my sex life in the form of erectile dysfunction.

I had never had a problem getting it up.

Until Franz entered the picture.

Now, having failed to satisfy my girlfriend yet again, I sighed heavily and rolled to my side of the bed.

"Sorry," I muttered lamely.

"Franz?" Madeline inquired.

"Yeah," I replied, hating like hell to admit that a dog could have such a profound impact on my performance.

"You better do something about that damn mutt," she said, her voice freighted with frustration. "I'm getting sick and tired of this shit . . ."

I couldn't blame her. We hadn't had good sex since Franz's arrival some three weeks ago. If I didn't rectify the problem soon Madeline was liable to break up with me.

"Did you look into obedience school?" she asked.

"Not yet."

"What are you waiting for?"

"I don't have the money, Maddy."

She didn't want to hear it. I related my financial woes even as she got out of bed, put on a T-shirt of mine which covered her to mid-thigh, and padded to the bathroom in the hall. Madeline was a hot piece of tail. My shirt covered her stellar caboose, but I knew it like the back of my hand. Hers was an ass to die for, a taut tush just begging to be banged.

And I couldn't do a thing about it.

Thanks to Franz.

It wasn't long before I heard the toilet flush, then the running of the sink. Madeline returned.

MADELINE

GOOD DOG

"Look what Franz brought me," she said, waving a magazine which bore the telltale marks of sharp puppy teeth.

Madeline rejoined me in bed and proceeded to peruse the torn and tattered periodical. It didn't take a genius to know what had happened. I was immediately embarrassed. And royally pissed at my unruly dog. Franz, the pooch from hell, had raided my small office and found my porn stash! As if that weren't bad enough, he had delivered the stroke mag to my girlfriend while she sat on the porcelain throne taking a whiz!

Man's best friend.

Yeah, right.

Franz was my arch enemy.

Or so I thought until I fully gauged Madeline's reaction. She wasn't angry, not in the least. She was, however, turned on in a big way; this became quite clear when she raised the hem of her shirt and started to masturbate.

Holding the magazine in her free hand, she gave the page her undivided attention. A small amount of text supplemented a photo of some guy fucking a chick on a pool table. I didn't know which one, the words or photo, was having such an aphrodisiacal effect on my girlfriend. It could have been both. Not that it mattered. She was hot and getting hotter, moving her hand faster and faster as she panted with excitement.

Seeing her so horny got my blood flowing to all the right places. My cock sprang to life. Madline noticed this; she immediately lost interest in the magazine, tossing it aside before going down on me. I lay there, a plush pillow cradling my head, marveling at her superlative skills.

Madeline's full lips cinched around my pole, she bobbed her head up and down, shellacking me good and proper. Then, having primed me for her pussy, she withdrew her greedy mouth and climbed on top of me. My girlfriend rode me like a slutty cowgirl, bucking and grinding. Her cunt was tight.

My T-shirt covered her tits, but she remedied this by peeling the thing and flinging it on the floor. The glorious sight of her bouncing boobs made me even harder. Madeline took full advantage of my rigid rod. She pogoed like a woman possessed, slamming her pussy down, again and again, pumping my pecker for what was sure to be an explosive orgasm.

She came first, shuddering and moaning on top of me before climbing off and finishing me with her hand. Madeline gave great tug jobs, and this was one of her best. My cock throbbed and spasmed, spitting much hot jizz.

Franz waited until we were through before venturing into the bedroom. He whined and cried on Madeline's side of the bed until she picked him up and plopped him down between us.

"Good dog," she said, petting his cute little head.

I couldn't have agreed more!
